▲ Assemble in location for intended use.

Remove all parts, hardware, and protective packaging from carton and carefully arrange on a clean, level, padded surface.

Qty.	Components
1	<div data-bbox="756 380 972 411">2D HAPPY 4th</div> <div data-bbox="643 485 1045 957">A 2D wireframe drawing of a stylized figure. The figure has a rectangular body with a horizontal bar across the middle, a vertical line for a neck, and a circular head. The figure is holding a rectangular sign with the word 'HAPPY' written on it in a stylized font. The figure is standing on a small rectangular base.</div>

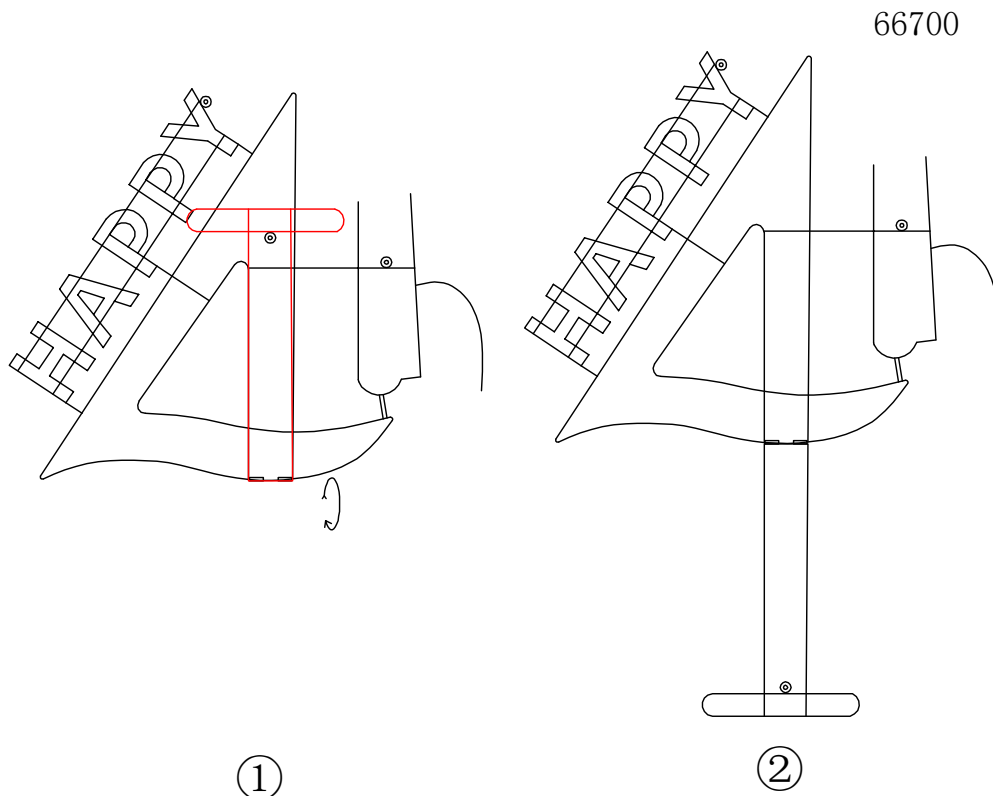

BASIC ASSEMBLY

STEP 1: Carefully remove the metal frame from the packaging. Take care not to bend or damage the frame during removal.

STEP 2: Gently unfold the metal frame according to the diagram below. Fully extend all sections until the frame is in its intended shape.

STEP 3: Mount the frame securely using the provided hardware and washers. Ensure the product is safely mounted before powering on.

STEP 4: Plug the product into a UL-listed outlet suitable for the installation location.

CARE & USE

1. Product is intended for indoor and outdoor use.
2. Do not mount or place the product near gas or electric heaters, fireplaces, candles, or other similar sources.
3. Do not use product outdoors in case of extreme weather conditions.
4. Do not use this product for any other purpose than its intended use.
5. Do not secure wiring of the product with sharp hooks or nails.
6. Not intended for permanent installation.

***At the end of the season clean it, if necessary, with a dry cloth.
Place it in its original packaging and store it in a cool, dry place.***
